Dear Sir,

Today we have received communication from CCHAU, Hisar that CCHAU, Hisar is organizing Kisan Mela during 12-13th March at Hisar. Hence, it is to inform you that the mentioned training program is rescheduled from 12-13th March to 15-16th March 2019 at KVK, Udaipur. Since, all the KVKs are implementing NFSM-oilseeds scheme at district level hence the potentiality of technologies is needed to be shown/visualized by conductance of CFLDs for fostering convergence process. Hence, a concise and reliable presentation on performance of different technological packages demonstrated at farmers' fields under various environment of Kharif Oilseed Crops-2018 and status of Rabi-2018-19 are required to be presented. Rationalization of technological packages as per financial norms (Rs/ha) must be done and same may be presented. Successful cases are required to be presented based on last three executions of CFLDs under National Food Security Mission. High quality photographs with installed sign board need to be shown during presentation.
